

# DIAGNOSTIC IMAGING CENTERS PATIENTS AND VISITORS

# CAUTION

## EFFECTIVE IMMEDIATELY:

We are following CDC Guidelines and are screening each patient and visitor upon entry.

### Patients with respiratory symptoms:

- Must wear a mask in the clinic

### Patients with respiratory symptoms *and* travel to high-risk areas:

- Cannot be safely seen at DIC clinics. Call your referring physician for further instructions.

### Patients with respiratory symptoms *and* known COVID-19 exposure:

- Cannot be safely seen at DIC clinics. Call your referring physician for further instructions.

### Visitors:

- Visitors are discouraged at this time.

Exceptions are:

- Pediatric patients
- OB patients
- Patients with special needs
